Do You Know What to DO?

Join us for this important and timely workshop:

HIDDEN IN PLAIN SIGHT

A Drug Awareness Program Every Parent Should Attend

Monday, April 16th

Crossroads North Middle School 7:00 - 8:30 pm

*Presented by: Douglas S. Collier, M.A, Drug Enforcement Administration (Ret.)
& Professor, Monmouth University, Department of Criminal Justice*

- No one ever wants to think of their son or daughter using and abusing alcohol and drugs. However, there are **signs and symptoms** to be aware of that may explain your son or daughter's behavior, and with **early intervention**, which most times can just be a simple conversation, it might just **save their life or the life of their friend**.
- **Discover** how alcohol, drugs and paraphernalia can be easily **hidden in plain sight** in a teenager's bedroom, bathroom and other locations within your home and car.
- Become **educated** on the latest substance abuse trends, signs and symptoms.
- **Learn** about local resources and ways to bring **awareness** to our community.
- Program consists of a multi-media presentation complemented with a practical exercise/strategies.
- **PLEASE NOTE: Due to the sensitive nature of the workshop, no one under the age of 21 will be permitted to attend.**
