A Place of Peace, Rest, Illumination and Closeness to God

Loyola Jesuit Center is a very special place. It has been used for retreats since 1927. Since then, thousands of people have walked through its doors, seeking peace, restoration and God's presence. In today's busy and often uncertain world, such a place is needed more than ever. Our retreats offer people of all faiths, cultures, and ages and from all walks of life, a place of peaceful silence where they hear the Good News of Jesus Christ, deepen their relationship with God and return home refreshed and energized.
