

Welcome to the Athletic Association! 2016-2017

For those families new to our school and /or program, the Athletic Association offers both boys and girls the opportunity to join basketball and cheerleading teams from Grades 3-8. Girls in grades 6-8 may also join softball in the spring. Parents are an important part of the association, volunteering as coaches, workers, and chairing various committees throughout the year. Without this help, the Athletic Association would not be able to offer all its programs.

We are looking forward to another great year of activities. Please take the time to register your family for the season by completing the information below.

Child's Name	Grade	Sport	Male/Female

Parents' Names: _____

Parents' email Address _____
